

# AVH308EA

One Cable solution (PON)  
HD Video Recording  
Push Video & Push Status

## 8CH Push Video HD Video Recorder

### Features

#### One Ethernet Cable Solution (PON, Power-over-Network)

Camera power supply & video transmission over one Ethernet cable to eliminate the needs of power adapters for your cameras during the whole HD surveillance system setup.

#### HD Video Recording

- HD real-time recording brings users clear images while video recording and playback
- 1920\*1080 Full HD video output service, giving the best image quality on LCD / LED monitors

#### External Disk Array Support for More Video Storage

eSATA interface built-in to connect a disk array (up to 4-bay disk array with RAID 0 and 1) for more video storage

#### Free DDNS Service

Free DDNS service to configure your device to Internet easily

#### Push Video & Push Status - Active Event Notification with EagleEyes App

- **Push Video** to send instant notifications for an alarm event to iOS and Android mobile devices (when used with ETS IP camera series).
- **Push Status** to send instant notifications for system events, such as video loss or HDD data removal.

#### Multi-platform Remote Access

- Fully compatible with iOS & Android devices, and Internet Explorer on Windows operating system
- AVTECH free CMS program on both Windows and Mac OS

#### Smart Recording

High video resolution switch for events to optimize the recording efficiency of the hard disk

### Rear Panel
